the fact that all humans and even animals dream every night or when they sleep cannot be over emphasized yes interpreting such dreams by dream experts could equally be considered as old as methuselah or dreaming itself however the fascination of humans is to know what is actually responsible for dreams and indeed what these dreams mean talking about dream interpretation which can be traced to 3000 4000bc since clay tablets were used to record interpretation of dreams at that time and these tablets were later discovered by archeologists it was also thought that primeval persons had a hard time differentiating between the dream world and the real world as they were thought to believe that the dream world was just an extension of the real world however the dream world was reckoned to be more powerful than the physical world around them nonetheless the ancient roman and greek empires were so passionate about dream interpretation to the point of making sure that interpreters of dreams accompanied military leaders and generals to battle fields this is to the extent that dreams were no taken lightly as dreams where seen by these empires as warnings or messages from their deity the ancient egypt was not also left behind in the quest for dream interpretation as they believe that dreams have religious connotations and so their priests equally functioned as dream interpreters yes ancient egyptians recorded dreams as part of important items in form of symbols or hieroglyphics again anyone whose dreams seemed significant were believed to be specially blessed people and given preferential treatment as well as were treated as gods also persons who could interpret dreams were believed to be specially endowed by their gods and were equally treated with dignity in these ancient societies however if we are to refer to the bible you will find that there are over 700 declarations of dreams and persons in biblical who eras equally held dreams in high esteem thus the fact that dreams and their interpretations are cited in most books of the bible both old and new testaments cannot be over emphasized well i want to invite you to my world of dream interpretation as you go and get your copy of the book dream interpretation and dream meanings guide the ultimate dream psychology and psychoanalysis for beginners seeking dream meanings yes and you can truly start to get the meanings to your dream from today

understanding the dreams you dream biblical keys for hearing god s voice in the night not only provides insight into your dreams and life but also includes a comprehensive dictionary of dream symbols you will be guided through the complex world of dreams by a minister with decades of experience receiving understanding and interpreting dreams of his own and for others i have received many helpful messages from god through dreams in addition to being helped through my own dreams i have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling ira milligan through scripture based meditation much can be understood about your dreams but many christians don t know how to meditate this problem is addressed in three different ways specific detailed directions are given on how and upon what to meditate personal examples of dreams from the author s own experiences practical dictionary of symbol definitions is included this book presents both normal and not so normal dream situations you will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition which is incorrect and you will learn how to tell the difference between a dream from god and those from evil sources

josephus a d 37 100 a pro roman jew closely associated with the emperor titus is the earliest systematic commentator on the bible as well as one of the foremost historians of the beginning of the christian era politically josephus was pro roman and although he had no sympathy for extreme jewish nationalism he was a zealous defender of jewish religion and culture louis h feldman examines the principles that guided josephus in his understanding of the bible investigating his creative contribution in the rewriting of biblical accounts this comprehensive study evaluates josephus as a historian and demonstrates the originality and consistency of his work as an author the first part of feldman s work attempts to understand josephus s purposes and techniques in retelling the bible the second part reviews josephus s treatment of twelve key biblical figures in addition to its reevaluation of an important early historian this unique compendium provides a mine of information on the reassessment of the most important biblical figures
