a humorous no holds barred examination of the content of student publications the fourth edition of best selling text the radical write suggests alternatives to the content clichés that dominate high school journalism reporting and writing for all student media is covered for more than 20 years the radical write has been the textbook of choice for advisers student reporters and editors it s message is simple to survive publications must provide essential information and to do that they must tell readers something new and interesting this message is as important for newspapers as it is for yearbooks online broadcast and literary non fiction magazines

the fourth edition of this popular combination text anthology integrates reading and writing skills the approach of read and respond is unique students are assessed for comprehension through summary writing rather than objective testing after summarizing an article students write a personal response because the summary and personal response are written in the students own words the instructor gains valuable insight into their vocabulary and writing ability as a result students develop proficiency in reading writing and critical thinking the new edition retains the best features of the previous editions it integrates reading and writing offers step by step progression includes models exercises and activities in each chapter and provides additional readings for practice new features include the following a new improved two color format plus overview maps of each chapter a new introductory chapter discussing the reading process and main types of reading tasks a new chapter offering a wide variety of methods to improve both general and specialized vocabulary the addition of content area readings and or excerpts from a college textbook in every chapter new articles for student reading practice in a new chapter entitled additional readings an increased emphasis and clarification of student goals outcomes and benefits the addition of self check review questions at the end of each chapter to help students review key concepts and consider personal applications of those concepts the fourth edition is complemented by a revised instructor s manual which

provides an answer key for all activities proposed syllabi for a quarter and for a semester as well as teaching suggestions and strategies

with more than three quarters of a million copies sold since its first publication the craft of research has helped generations of researchers at every level from first year undergraduates to advanced graduate students to research reporters in business and government learn how to conduct effective and meaningful research conceived by seasoned researchers and educators wayne c booth gregory g colomb and joseph m williams this fundamental work explains how to find and evaluate sources anticipate and respond to reader reservations and integrate these pieces into an argument that stands up to reader critique the fourth edition has been thoroughly but respectfully revised by joseph bizup and william t fitzgerald it retains the original five part structure as well as the sound advice of earlier editions but reflects the way research and writing are taught and practiced today its chapters on finding and engaging sources now incorporate recent developments in library and internet research emphasizing new techniques made possible by online databases and search engines bizup and fitzgerald provide fresh examples and standardized terminology to clarify concepts like argument warrant and problem following the same guiding principle as earlier editions that the skills of doing and reporting research are not just for elite students but for everyone this new edition retains the accessible voice and direct approach that have made the craft of research a leader in the field of research reference with updated examples and information on evaluation and using contemporary sources this beloved classic is ready for the next generation of researchers
